

I'm not very interested....	In school I was always very good....., but pretty bad.....	When I visited....(name a country or city), I was very impressed...	I am sometimes envious...
The first/last (choose) job I applied...	I am/am not (choose) easily shocked...	Compared...(say a nationality), people in my country...	As a child I used to be afraid...
My mother/ father/brother/ sister/friend (choose) is very proud...	I would hate to see...	When I'm feeling sad I always...	When I go out with friends, we usually...
Teachers should never...	When I go abroad (or to another city) I almost always...	When I don't have much money I sometimes...	I don't often go...or play...
For a change at weekends I sometimes..	Only once in my life have I...	I could never..., even if someone offered me a million dollars.	When I want to enjoy myself I usually...
